Approve/reject a 90-day time extension, as requested by the developer, on the Revised Land Development Plan for KGH Properties – Campus Heights Village Wood Street Access, prepared by Forino, Inc. and submitted by Campus Heights Associates I, LP. The initial Plan submittal was due to expire on December 26, 2012. A 90-day extension was approved by the Township on December 19, 2012. - C. Approve/reject the Final Land Development Plan for Middletown Home Access Driveway/Parking Revisions, prepared by Schlouch, Inc. and submitted by the Middletown Home. The initial Plan submitted was due to expire on May 29, 2013. 90-day time extensions were granted by the Board of Commissioners on May 15, 2013, August 21, 2013, November 20, 2013, February 19, 2014 and May 21, 2014. - D. Approve/reject the Susquehanna Area Regional Airport Authority (SARAA) sewage planning module for the North 29 Area (land where Sheetz and other commercial properties are planned to be built) requesting that the sewage be sent to SARAA's treatment plant instead of Middletown Borough Authority as would be required according to their location within the sewage area. Lower Swatara Township Authority's agreement with the Middletown Borough Authority reads that sewage in the designated area shall be exclusively treated at Middletown Borough's treatment plan. The Planning Commission approved the planning module, conditioned upon SARAA getting Middletown Borough to agree that the exclusivity can be waived in this instance or upon proof that the exclusivity portion of the agreement does not apply to SARAA because of established Authority statutes. The burden of proof is on SARAA at this point. The planning module was due to expire on January 23, 2014. The Board of Commissioners granted a 90-day time extension on January 15, 2014; the plan was due to expire on April 23, 2014.
