The initial Plan submitted was due to expire on May 29, 2013. 90-day time extensions were granted by the Board of Commissioners on May 15, 2013, August 21, 2013, November 20, 2013, February 19, 2014, May 21, 201, October 15, 2015, January 21, 2015, May 18, 2015 and August 19, 2015. - C. Approve/reject the Susquehanna Area Regional Airport Authority (SARAA) sewage planning module for the North 29 Area (land where Sheetz and other commercial properties are planned to be built) requesting that the sewage be sent to SARAA's treatment plant instead of Middletown Borough Authority as would be required according to their location within the sewage area. Lower Swatara Township Authority's agreement with the Middletown Borough Authority reads that sewage in the designated area shall be exclusively treated at Middletown Borough's treatment plan. The Planning Commission approved the planning module, conditioned upon SARAA getting Middletown Borough to agree that the exclusivity can be waived in this instance or upon proof that the exclusivity portion of the agreement does not apply to SARAA because of established Authority statutes. The burden of proof is on SARAA at this point. The planning module was due to expire on January 23, 2014. The Board of Commissioners granted a 90-day time extension on January 15, 2014, April 16, 2014 and July 2, 2014. The Board granted a 120-day time extension on October 1, 2014. The Board granted a 93-day time extension on January 21, 2015 to May 20, 2015. The Board granted a 91-day time extension on May 20, 2015 and again on August 19, 2015.
