- C. Approve/reject the Susquehanna Area Regional Airport Authority (SARAA) sewage planning module for the North 29 Area (land where Sheetz and other commercial properties are planned to be built) requesting that the sewage be sent to SARAA's treatment plant instead of Middletown Borough Authority as would be required according to their location within the sewage area. Lower Swatara Township Authority's agreement with the Middletown Borough Authority reads that sewage in the designated area shall be exclusively treated at Middletown Borough's treatment plan. The Planning Commission approved the planning module, conditioned upon SARAA getting Middletown Borough to agree that the exclusivity can be waived in this instance or upon proof that the exclusivity portion of the agreement does not apply to SARAA because of established Authority statuses. The burden of proof is on SARAA at this point. The planning module was due to expire on January 23, 2014.
