	Name	Mailing Address	Telephone
Owner Or Lessee			
General Contractor			
Permit Applicant			
		contact person's email:	
Design Professional			

Applicant's Certification: As the owner or the authorized agent of the project for which this application is filed, I certify that:

- The description of use, estimated construction cost and all other information provided as part of this application for a building permit is correct.
- The building or structure described in this application will not be occupied until all known code violations are corrected and a Certificate of Occupancy has been received from Lower Swatara Township.
- This project will be constructed in accordance with the approved drawings and specifications (including any required non-design changes) and the Uniform Construction Code standards as specified in 34 PA Code Chapters 401 - 405.
- Any changes to the approved documents will be filed with the Township Code Department.
- If the licensed architect or engineer in responsible charge of this construction should change, written notice of the change will be provided to the Township Building Code Official.
- No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in 34 PA Code Chapters 401 - 405.
- If signed by someone other than the construction owner, this work has been authorized by the owner of record, and I have been authorized by the owner to complete this application on his behalf. I will be acting on behalf of the owner as:

Lower Swatara Township Sample Plot Plan

Spring Garden Drive

Proposed Construction _____ sq. ft. Sidewalks/patio _____ sq. ft.
 Existing Structures _____ sq. ft. Total Coverage _____ sq. ft. Greater than 1000sq ft of disturbance requires a
 Driveway _____ sq. ft. Lot Size _____ sq. ft. Storm water management permit.

Plot plan to include the following: Accurate property lines, lot size with dimensions, location of easements and right of ways, dimensions and square footage of all impervious areas-drive ways, sidewalks/patios, structures including sheds etc. A survey of your property maybe necessary for compliance.

Permit Checklist

This form **MUST BE COMPLETED** and turned in with your application.

The following permits are required to be obtained prior to the release of a building permit. A building permit is considered incomplete until the applicable permits below are obtained.

Provided	Needed	Not applicable	Determined by L.S.T	Permit Requirements
				Sewage facilities planning module or exemption letter
				Erosion & Sediment approvals
				NPDES approvals
				Zoning approvals
				L.S.T street cut permit
				L.S.T. sewer authority permit or on-lot septic permit
				FAA Approval if in airport zone, Penn Dot AV 57 form
				Proof of Land Development/Subdivision recording
				Penn Dot HOP Permit or notice of acknowledgment that one is required

___ 2 Sets of plans required. Commercial requires that 1 set of those sets is to have original wet stamp. Minimum size: Residential – 11"x17"; Commercial – 24"x36"

___ Workers Compensation with Lower Swatara Township as the certificate holder required. Notarized waiver form required if the contractor is exempt from the Workers Compensation Law. Home owners performing their own work or acting as the General Contractor are exempt.

___ Electrical Review is done by a township approved third party (see back of this form). Whoever reviews the plans shall be contacted for inspections. Electrical pages should be separated from the remainder of plans. In writing, state which electrical third party you want to review the plans and provide contact information for whom they should bill for their services.
