Re: SR 300-008 Roadway Reconstruction Project

Ladies/Gentleman:

Hempt Bros., Inc. has been awarded the contract with Penn DOT for the reconstruction of SR300 Section 008 in Lower Swatara Township and South Londonderry Township, Dauphin County from Eisenhower Boulevard to Toll House Road. The project consists of the reconstruction of the existing roadway, replacement of two bridges and rehabilitation of multiple bridges, guiderail, drainage, highway lighting, sign structures, pavement markings and other miscellaneous construction. Prior to beginning any new stage of work on the project we are to advise local municipalities and organizations of the project details and project schedule. We anticipate resuming work following winter shut down on March 4<sup>th</sup> dependent on favorable weather conditions. This work will include nighttime lane closures and changes to traffic patterns East Bound and West Bound. This stage of work will continue into November and will include reconstruction of SR300 East Bound including bridges at Swatara Creek, Lumber Street, Turnpike Industrial Drive and SR283. Future notifications will be sent prior to the start of subsequent traffic control stages.
