

Lower Swatara Residential Building Fee Schedule

Permit fees for new construction shall be computed by the current Building Valuation Data (BVD), as published by International Code Council at 6 month intervals, to determine the Estimated Value of Construction or by Contract Price as listed below, whichever fee is greater shall be applied. The attached fee chart is provided for your convenience.

All Fees are required to be paid prior to the release of a permit.

An **application fee of \$50** (to be paid at the time of application) applies to all Building Permits for new houses, structures, additions and alterations and is in addition to the fees listed below:

*New Construction – (Gross floor area multiplied by sq. ft. construction costs from the ICC BVD table multiplied by the permit fee multiplier of 0.008.)	PLAN REVIEW FEE for applications exceeding \$25,000 in contract price (<u>to be paid at time of application</u>), application fee plus \$4 per \$1000 or fraction thereof.
	PLAN REVIEW FEE for applications less than \$25,000 in contract price, application fee only applies.
